

The Middle School Community Connections options class has chosen a cause and are planning a fundraising blitz next week. Each event will occur at lunchtime (aside from hat day). I have attached a couple of articles related to the cause we are supporting, briefly it is for a young man who lives in Calgary and works at a local Olds business, his family is in Turkey and has been devastated by the earthquake. Our events will cost \$1 each and are as follows:

Monday: Hat Day (Community kids will come around block 1 to collect, anyone who pays \$1 will get a stamp to show they can wear their hat for the day)

Tuesday: Chip Day (\$1 per bag of chips, sold at lunch from the spare classroom 7/8 hallway)

Wednesday: Cookie decorating--pre-orders only (Community kids with help from high school leadership will help kids decorate a cookie **these MUST be pre-ordered \$1)

Thursday: Floats--pre-orders only (\$1 pre-order only, floats will be delivered to classes)

Friday: St. Patrick's Day cupcakes (\$1 for sale at lunch in the spare classroom 7/8 hallway)

**Pre-orders for cookie decorating and floats will happen Monday and Tuesday.
