What is the High School Leadership Team all about?

Hi! We're the High School Leadership Team, we work together to achieve three goals; positively impacting school spirit and culture, reaching out and giving back to the community and developing ourselves as strong leaders!

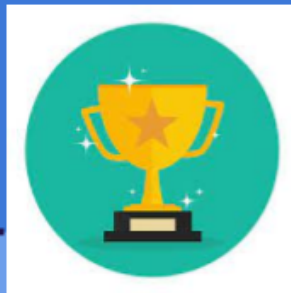

First we would like to start off by thanking everyone for all the Terry Fox donations. Congratulations to Ms. Cooper's class and Mrs. Majak's CA for raising the most money to help find a cure!

Thanks to Jon's Pizza for donating pizza meals to the top fundraisers!

What is the Battle of the CAs?

The Battle of the CAs is a year-long competition hosted by the High School Leadership Team. We encourage students to participate in our theme days, CA Wars and events by promoting the CA point system. With each event, students participate in they get points for their CA. The CA with the most points at the end of the year get a special prize and the highly sought after trophy!

Stay tuned to daily announcements for more information about these events!

October 31st is Costume Day!
A CHANCE TO GET POINTS FOR YOUR CA

All students who dress up will be placed into the competition automatically. Each student who participates will receive points for their CA..... BUT.... the student with the 'best' costume will be receiving a big prize! We encourage every student to participate in this competition to help with our school spirit days! There will also be the matching game for Halloween treats AND the first CA War in the common area at lunch; the competitors will be the teachers!

COSTA RICA APRIL 2024

Didsbury Travel Club will be having a meeting for the April 2024 trip to Costa Rica on Wednesday October 11 at 7 pm in the DHS Library. There are still spots available to join the trip if you are interested in travelling to Costa Rica!
