## Leadership Lowdown

Hello Kodiak family! Our mission as a leadership class is to develop ourselves as leaders, as well as improve school spirit and involve ourselves in community outreach. This month we had Throwback Theme Day. This consisted of an 80's dance off where our contestants showed some funky dance moves on that dance floor. We also helped decorate for Christmas at the Chinook Winds Senior's lodge, and were able to develop stronger relationships within our community; we even brought a gingerbread house. Stay tuned in the new year for our upcoming fundraiser where the proceeds will go to help us as a leadership class to attend ASLC (Alberta School Leadership Conference) in April in Airdrie. We will be doing more community outreach at our local Co-op; this community outreach will spread kindness and Christmas cheer in the form of a helping hand a cup of hot chocolate. Speaking of hot chocolate, some mornings in December we will serve hot chocolate, don't forget to bring your own cup! While entering the Christmas season we will be doing Secret Candy Canes, this is a fun way to connect with those around you as well as leave a heart warming gift for someone in the school. Proceeds from the candy canes sales will be donated to a local charity. Leadership and the YES program are working together to build the Movember Moustache Madness fundraiser. Proceeds will go to Mens' Prostate Cancer research. Our CA update for this month. Coming in hot in first place is the Ozzy Ozbournes, hot on their heels are the Fry Guys, and right behind them are the Duane the Rock Johnsons. The competition is getting real. We also have a theme week coming up, remember to participate to gain points for your CA, then maybe you can beat the Ozzy Ozbournes. Check out the school calendar so you don't miss the fun!
