ATHLETICS UPDATES!

Exciting News

We have been working hard at updating our Athletics page on our website. It now has a its own calendar with the game schedules.

LEADERSHIP LOWDOWN

We continue to aim to; improve school spirit and culture, serve the wider community and develop ourselves as leaders.

School Activities

Within the school, we have hosted many events this month. There was Groundhog Day, where printed groundhogs were hidden around the school, and could be found in return for a small candy prize. We hosted a scavenger hunt for St. Patrick's Day, where coins were hidden around the school. Along with this, we held a "Green" dress-up theme day and our annual Green Kool-Aid chugging contest for the holiday. Ms. Hippe's Hipsters are holding strong in 1st place, the Ozzy Rodbournes are in 2nd and Mr. Cashato's Cash Money Shati 2.0s are in 3rd! Stay tuned for our final 3 months of theme days and CA battles where classes can try to move up on the board!

The High School Leadership committee also organized some games and activities during a school assembly about railroad safety, that we are thankful the local law enforcement who presented to us. The games allowed for fun school entertainment and an opportunity for students in different grades to work together. For Easter we had our matching mingle activity where students were given half an egg, once they found their match, they were able to trade it in for an Easter treat. We also challenged the CA teachers to hide an egg where leadership couldn't find it.

Finally, for our community outreach this month, our grade 10-12 leadership students had a blast playing Rock and Roll Bingo with our buddies at the Chinook Winds Seniors Lodge.

Upcoming School Events

The High School Leadership is currently planning a Wake-a-thon for students in grade 9-12, which is a sleepover at the school with some all night challenges, activities and food on May 10-11, stay tuned for details. Carstairs' Got Talent will be returning this year so dust off your dancing shoes, tune that guitar, practice your skills - auditions will run after Spring Break!

Conference Opportunities & Fundraisers

Students from the High School and Middle School leadership classes had the opportunity to attend the Horizons Leadership Conference on March 15th, at Ecole Olds High School. The students that attended the conference were taught many ways to develop their leadership skills, and got to hear from several accomplished speakers. The conference was an opportunity to collaborate with other leadership students and learn.

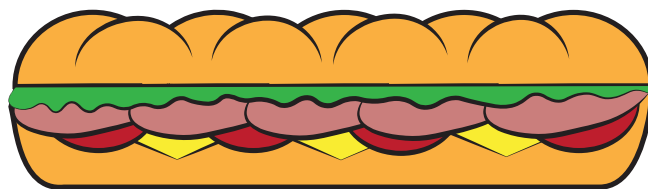

High School Leadership is looking forward to our next conference, the ASLC (Alberta Student Leadership Conference) that will be hosted at the Bert Church School in Airdrie during April. We have raised about half the funds for this trip, so watch out for our upcoming fundraisers! On April 5th we will be duct taping teachers to the gym wall so bring your toonies to by a strip of tape!

Speaking of fundraisers, there are still a few boxes full of a variety of 33 birthday cards available for \$33. Contact the school, or Ms. Rodbourne directly to help the high school leadership committee attend this amazing learning and networking opportunity.

Monday	Tuesday	Wednesday	Thursday	Friday
