HIGH SCHOOL SKI TRIP

HSS

The highschool Sport Academy and PE 10/20/30 students have the opportunity to go skiing or snow-boarding on Tuesday, February 11, 2025 at Nakiska Ski Resort. Students' school permission form, medical forms, ski information form and online payment is due Jan. 9th. Students will be traveling by bus from the school departing at 6:20am and returning at approximately 5:00pm. Please arrange to have your child at the school no later than 6:10am.

SCIENCE FAIR

Save the date! HSS will be hosting an in-person Science Fair for Gr. 5-12 students on Tuesday, February 11. Information meetings were held in early December for all interested students. We are looking for community members who can help judge Science Fair projects on the morning of February 11. Please email Mrs. Sadek (tsadek@cesd73.ca) if you can help.

HSSEF FUNDRAISING

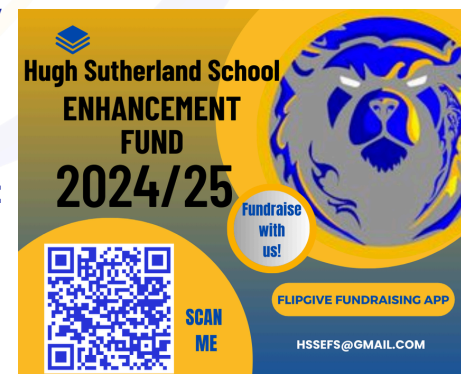

This season, fundraising for Hugh Sutherland School Enhancement Foundation is going to be so much easier with FlipGive, a free team funding app. We earn cash back on every purchase we make all year long! All you have to do is shop anytime with the brands you already love, like Home Depot, Walmart, Sport Chek, Indigo, Old Navy, Apple, Esso, and Loblaws. No more going door-to-door selling chocolate bars - it's completely virtual and contactless.

Join our team now and you'll get a \$5 bonus the first time you shop:

INCLEMENT WEATHER

HSS

Our first and most important priority, as always, is the safety of students and staff. Our second priority is to ensure learning opportunities continue as often as possible. These two priorities are at the foundation of our [Inclement weather procedure \(AP1-13\)](#), which describes when decisions are made to close schools and bus routes - in individual communities or throughout the division.

There are 3 types of days in Chinook's Edge: green, yellow and red days, which are outlined on the Division Website.

GRADE 5/6 SWIMMING

Grade 5 and 6 teachers have sent home registration forms for upcoming swimming lessons. Please have these forms and your child's swim report cards in next week. Check your email for consent forms that were sent out in December. Reach out to your child's teacher if you have any questions.

Bus Lane

The lane in front of the school is BUS ONLY during the hours of 8-8:40am and 3-3:40pm. Please use the parking lot on the east side of the school or the parent drop off lane on the west side. We appreciate your cooperation keeping the bus lane clear during the posted hours.

We invite your student to our new Learning Lab, a supportive space for help with math concepts, homework, and assessments. Staffed by math teachers, the lab offers knowledgeable assistance while students work independently or with peers. It operates every Thursday after school from 3:20-5:00, allowing flexible attendance. Encouraging participation can enhance their math progress and confidence. The lab is open to all students, regardless of the subject. Thank you for supporting a positive learning experience!
